Your Electronic Acknowledgement Receipt appears to be dated March 21, 2008  
The Office sent a notice of non compliance on April 3, 2008 in response to your March 21, 2008 submission because of the lack of signature.  
The need for slashes on both sides.

There is not record that you responded to this notice in the record.  
You can produce a Receipt showing you responded to the Notice.  
If you do not have one you need to to pay fees to extend your response time.

Thank You  
/Todd Ingberg/ (type your signature like this with the slashes)

So, your reply is what? I have emailed you after the resubmission,  
including the receipt and the properly signed document, did you let your colleague know?

Your resubmission is not showing.  
You must resubmit it to the formal channel and pay an extension fee.  
The following was provided to me from a resource inside the Office
